The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

- Lack of maintenance/replacement of Lab equipment on periodic basis. Aging technology and equipment.
- Lack of off campus and alternative programs (e.g. online courses).
- Limited programme diversity when compared to the wider range of programme possibilities in the broad field of physical activities.
- Inadequate levels of personnel, facilities and funding to meet growing student demand for programmes and classes.
- No. of smart class rooms be increased along with modernization of existing laboratories. Power back up to be augmented.
- Planning and development of research facilities on need basis is required.
- Ph. D. programme needs to be introduced.
- Innovative and creativity needs to be encouraged.

Opportunities:

- Well placed to undertake research and outreach programmes.
- Opportunity to introduce market related courses.
- Can mould our pass out into prospective entrepreneurs through various programmes.
- Changing demographics in the region and a growing population affords opportunities for the placement of our graduates in the job market.
- Geographic location affords opportunities to develop consultancy

Threats:

- Outside of the college many misperceptions and myths exist related to an understanding of what the college does in terms of its academic and scholarly activities.
- External threat changing priorities and limited funding can potentially create internal tension over limited resources.
- Limited number of permanent faculty.

8. Plans of institution for next year.

- Encourage ICT enabled teaching
- MoU with industrial organizations
- Change the campus to more nature friendly one
- To install Solar Panels for energy conservation
- Apply for more research projects and seminars
- Enhance the research culture among the Faculty
- To conduct energy, water and biodiversity audit
- To organize more talks on women empowerment and gender sensitization
- To observe all days of national importance
- Better administrative reforms
- Better infrastructure facilities
- More wash rooms to be set up . Drainage to be improved.
- Documentation centre to be set.

Two Best Practices 14-15

No Smoking Zone

Objectives: - The objectives of this practice was to create a smoke free , pollution free campus whereas healthy ambience for the students is created.

Evidence of Success – Owing to persistent efforts by the staff most of the staff members avoided smoking inside the college hours. As a result it improved the overall health status of the staff as well as created a sense of discipline within the campus.

No Polythene Zone

Objectives – Preliminary this is a NSS initiative to promote a polythene free zone and ably supported by faculty and non-teaching staff and implemented by the IQAC.

Evidence of Success-With the support of NSS Volunteers, the use of Polythene within the campus was reduced to a bare minimum. Faculty members also monitored the success of this best practice.
